**Evaluation Periods**

Students: Please do not confuse academic progress reviews with Satisfactory Academic Progress evaluations. Educators review each student’s general academic progress on a monthly basis. SAP evaluations are conducted at the end of each evaluation period (payment period) to determine if the student has met the minimum requirements for SAP for the next payment period. Each student must achieve the proper number of hours, weeks, grades, and attendance in order to meet SAP and be eligible for Title IV funding, if applicable. Each student will receive a copy of their SAP standing.

**Students are evaluated for Satisfactory Academic Progress based on established times as follows:**

Cosmetology (Full time)	450 clocked (actual) hours & 14.5 weeks 900 clocked (actual) hours & 29 weeks, and 1200 clocked (actual) hours & 38.5 weeks

Esthetics (Full time)	375 clocked (actual) hours & 12 weeks
Esthetics (Half time)	375 clocked (actual) hours & 23 weeks

Grades for each program are given for theory exams, practical exams, and clinic activities. Records are maintained of grades and attendance. Salon Boutique Academy utilizes the following grade scale:

A(Excellent)	= 93% to 100%
B (Good)	= 85% to 92%
C (Average)	= 80% to 84%
D (Unsatisfactory)	= 70% to 79%
F (Failing)	= 0% to 69%

At the end of each evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance since the beginning of the course, which indicates that, given the same attendance rate and grade point average, the student will graduate within the maximum time frame allowed.

Students meeting the minimum requirements for **academics and attendance** at the evaluation points are considered to be making SAP until the next scheduled evaluation. Students will be notified of their SAP determination at the time of each of the evaluations. Students not meeting SAP will be required to sign a written acknowledgement, which will be maintained in their file. Students can also request to review prior SAP results by asking the Director. Students deemed not maintaining SAP may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation. In the event a student becomes ineligible for Title IV, HEA Funding, he/she must meet SAP prior to having eligibility reinstated.

**Title IV Financial Aid Warning**

Students who fail to meet minimum requirements (80% cumulative attendance and an 80% GPA) for attendance and academic progress at the end of a payment period will be placed on a **Financial Aid Warning the first time**. Any student on a **Financial Aid Warning** may continue to receive assistance under the Title IV, HEA programs for one payment period only.

At the end of that payment period, if the student has met the minimum grade and attendance requirement, the student is considered to be meeting SAP.

If the student is not meeting SAP at the end of the Financial Aid Warning Period; there will be a loss of Title IV, HEA eligibility; with the right to appeal. The student will be placed on an **Academic development Status**, with a **loss** of Title IV, HEA funding and will be required to meet specific criteria of an improvement plan to assist them in regaining SAP and Title IV, HEA eligibility. During this period the students will not be eligible to receive Title IV, HEA funds but he/she may continue on a cash pay basis with an approved payment plan. Arrangements for payment must be approved within 10 school days of notification of development status.

**Title IV, Financial Aid Probation**

Any student that prevails upon the appeal process shall be placed on **Financial Aid probation** and will be eligible to receive Title IV, HEA during this period. A student placed on **Financial Aid Probation** may receive Title IV, HEA program funds for one payment period only. While on Title IV, HEA Financial Aid Probation, the student must meet the institutions SAP standards and complete the requirements of the Academic Improvement Plan, which was

developed by the institution to assist the student in regaining their Title IV, HEA eligibility.

Appeals can only be granted if:

1. The student has the ability to meet Satisfactory Academic Progress policy standards by the end of the next evaluation period.  
OR
2. The institution has developed an academic plan for the student that, if followed, will ensure that the student is able to meet Satisfactory Academic Progress standards by the end of the next evaluation period.

The students will be advised in writing of the actions required to attain Satisfactory Academic Progress by the end of the next evaluation period. If a student meets the minimum attendance and academic requirements by the end of the Title IV, HEA financial Aid probationary period, satisfactory progress has been re-established and Title IV, HEA funds will be disbursed for the next payment period.

Those who are not making SAP at the end of the Title IV, HEA Financial Aid probation period will be ineligible to receive Title IV, HEA funds for the following payment periods. A student must meet SAP prior to having eligibility reinstated.

### **Appeal Procedures**

If a student is determined not to be making satisfactory academic progress at the evaluation point after the “warning” status, the student may appeal the determination. The student must submit a written appeal to the school Director within 15 days of the adverse decision on the SAP Appeal Form, with supporting documentation as to the reasons why the determination should be reversed.

The student must describe any unusual circumstance(s) that the student believes deserves special consideration. The basis on which a student may file an appeal: death of a relative, an injury, or illness of the student or other special circumstance. The student must provide a written statement and evidence as to why they did not make SAP and what has changed that will allow them to make SAP by the next evaluation point.

Once the School Director receives the appeal, they will evaluate the appeal and provide a decision within five (5) business days. The School Director will notify the student in writing of the decision and all decisions are final. A copy will be retained in the student’s file.

If the student is granted an appeal they will then be placed on Title IV, **Financial Aid Probation**, which is a status assigned by the Federal regulations to a student who fails to make SAP, who has appealed and has had their Title IV, HEA eligibility for aid reinstated for one payment period only.

### **Reestablishment of Satisfactory Academic Progress**

Students may re-establish Satisfactory Academic Progress and Title IV, HEA aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

### **Academic Development Plan**

Students placed on an academic development plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period, which is at the end of the payment period. Students who are progressing according to their specific academic plan will be considered making SAP. The student will be advised in writing of the actions required to attain SAP by the next evaluation. If, at the end of the probationary period, the student has still not met both the attendance and academic requirements required for SAP or by the academic plan, he/she will be determined as NOT making SAP and will be dismissed. In the event that circumstances beyond the student’s control make it necessary for withdrawal, the student must consult with the School’s Director and/or Admissions Director and complete a Withdrawal Form. The School will use the last date of attendance as the drop date for calculating the Return to Title IV.

### **Information on Course Incompletes, Repeats, Noncredit, Remedial Classes and Leaves of Absence**

A student who fails to attend class for 10 or more consecutive school days with or without contacting the school will be automatically dismissed regardless of Satisfactory Academic Progress standing. In the event that the school withdraws a student from school, the School Director must complete the Withdrawal Form using the last date of attendance as the drop date. Salon Boutique Academy does not offer repeat classes. Course incompletes and withdrawals have no effect on the qualitative SAP standards. Noncredit, remedial courses, leave of absences, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's SAP standards. A student who withdraws or is terminated and returns to school will return in the same status he/she left. In order to return, the student is responsible for any remaining balance from the prior enrollment that cannot be covered with reinstated federal funds.

### **Transfer Hours**

With regards to SAP, a student's transfer hours will be counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Transfer students will receive credit for hours received from other institutions or states according to Texas state law and the hours to complete may be shortened and tuition adjusted accordingly. Transfer students must complete a minimum of 500 hours at this school *unless* they have completed a program at a school outside of Texas and are required by TDLR to complete additional hours. SAP evaluation periods for transfer students are based on actual hours. Hours earned at another institution will be counted as both attempted and completed hours for the purpose of determining when the maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

### **Requirements for Transfer Hours:**

Transfer hours will only be accepted if they are posted as "tuition paid" by Texas Department of Licensing and Regulation. A prospective student interested in transferring hours to Salon Boutique Academy is not required to present a school transcript from the prior institution. However, it is highly recommended. If no transcript is presented the student will be responsible for all grades and assignments.

### **Title IV, HEA Re-entry / Student Interruptions**

#### **Before 180 days**

Students who have been terminated or withdrew from school may re-enroll (if determined eligible) within 180 days and will not incur additional charges; however, these students will be responsible to pay any remaining balance from the previous enrollment that cannot be covered with reinstated federal funds.

#### **After 181 days**

Students who have been terminated or withdrew from school and re-enroll (if determined eligible), after more than 180 days will pay a \$100.00 application fee and will be charged for contracted hours at the current tuition rate. All re-enrolling students will be provided the school's re-enrollment policy and will be evaluated by the School Director for placement in the curriculum and kit needs. Re-enrolling students may be required to purchase the current school kit. Students applying for re-entry or transfer-in from other schools will be required, as a condition of enrollment, to bring delinquent prior student loans to a current status.

A determination of SAP will be made and documented at the time of withdrawal. That determination of status will apply to students at the time they return to school. The student may appeal a negative SAP determination according to the appeal policy. Salon Boutique Academy does not offer leave of absences. Students re-entering after exiting the school will not be evaluated as new students and consideration will be given to the student's progress status at the time of previous withdrawal. Re-enrollment is at the discretion of the school administration.

Students will be responsible to pay any remaining balance from the previous enrollment that cannot be covered with reinstated federal funds.

#### **Check In and Out**

To receive credit for attending school, all students must clock in and out on a computerized time clock when arriving to or leaving school, taking or returning from lunch, and anytime a student is not engaged in a learning activity. A student who

is clocked in must be inside the building. A student who fails to clock in will not receive credit for the time attended unless the failure was due to a complete time clock failure or the state requires Salon Boutique Academy to grant the time. Failing to clock out as required will subject the student to disciplinary actions up to and including dismissal.

### **Tardy Policy**

Daytime students are scheduled to arrive by 8:00am. Evening students are scheduled to arrive by 4:40pm. Arriving later than this scheduled time (and leaving before class ends) causes students to lose hours as well as miss information being presented by educators. In the event a student arrives later than his/her scheduled time, he/she should enter class without causing a disruption to the learning environment. A student who misses class is responsible for the material missed – the class will not repeat or review information that was presented during the student’s absence. A student missing time will still be expected to test and turn in assignments on time. A student who is scheduled on the clinic floor (in cosmetology or esthetics) must notify the school before 8:30am (4:40pm for night students) if he/she will be arriving late, and if so, at what time. This is required so that the late arrival does not cause challenges with client appointments. Senior students seeking to makeup hours Tuesday – Thursday may not stay for extra hours unless they attend their regular schedule on the day they seek to receive makeup hours.

### **Makeup Hours Policy**

Makeup hours are available on Monday evenings from 3:30pm – 10pm for Daytime students and Evening students contracted to attend Tuesday through Thursday. Evening students contracted to attend Monday through Wednesday have makeup hours available Thursday from 3:30pm-10pm. Students interested in attending makeup hours must sign up the week by Wednesday of the prior week in order to attend, and include on the sign up paper the hours they will be staying. Additionally, a student attending makeup hours is required to complete a makeup hours form the day they stay and receive an educator signature documenting the school-related work completed to show the basis of receiving time towards their program. Esthetics students with 650 hours or more, as well as cosmetology students with 1250 hours or more, may sign up to makeup hours during the week; however, these hours must be pre-approved and included on the sign-up sheet. The student must also complete a makeup hours sheet and receive an educator signature for the student’s file. The makeup hours sign-up sheet as well as makeup hours forms are maintained at the front desk. The Academy may refuse to grant makeup hours in the event a student is not engaged in a learning activity or in the event a student fails to sign up and receive pre-approval. Students are encouraged to speak with Educators if they are interested in shadowing off hours at the Educators’ salons for field trip hours.

### **Lunch and Breaks**

Lunches are 45 minutes in length for full-time students and are scheduled by campus staff. Students must clock out for lunch. Campus staff will adjust lunch times for students with clients. Students attending less than 6 hours per day/night do not receive a lunch/dinner break. All students receive a 15 minute break at times determined by the educator; however, students must remain on campus during these breaks. Students returning late from lunch or break will be asked to leave the school. Students who fail to return from lunch or break without informing Salon Boutique Academy staff in advance will receive a one day suspension. Food and beverages must be kept in the break room. Water in a closed container is allowed in classrooms unless otherwise approved by the educator.

### **Program Investment**

If Salon Boutique Academy cancels or alters a program start date, the applicant can request to move any money paid to an alternate start date with no affect on the student's rights to a refund. Salon Boutique Academy has the right to offer tuition scholarships and waive fees to eligible students and employees. Please note the fees listed below are current as of the date at the bottom of the page and remain in effect for 90 days. Salon Boutique Academy has the right to revise fees anytime thereafter. Please contact your Admissions Advisor to receive a current investment breakdown.

Salon Boutique Academy accepts payment in the form of cash, personal check, cashier's check, Visa, MasterCard, American Express, and Discover. Tuition and kit supplies must be paid pursuant to the payment schedule agreed. A student who fails to make a payment on time will be assessed a late fee as outlined in the contract. Salon Boutique Academy reserves the right to suspend or terminate a student who has a late payment. A student nearing completion of the program who has any type of overdue financial balance will be suspended for his/her last eight hours until the remaining balance is paid in full. Upon withdrawal or termination from Salon Boutique Academy, any remaining balance will be due immediately. Failure to pay a balance or to arrange a payment plan within 30 business days after withdrawal or termination will result in referral of the account to a collections agency and/or filing a legal suit. It is very important to communicate and coordinate payment on late payments because delinquent/past due accounts WILL impact your credit report and score.

### **Tuition Refund Policy**

Texas Department Licensing and Regulation sets forth minimum refund requirements in Section 1602.458. Salon Boutique Academy meets and exceeds these minimum standards. The following policy applies to all terminations for any reason, by either party, including student decision, course of program cancellation, or school closure.

Salon Boutique Academy will provide a full refund of money paid by a student under the following circumstances:

- (1) the student cancels the Enrollment Contract not later than midnight of the third day after the day the contract is signed by the student (excluding Saturdays, Sundays, and legal holidays); or
- (2) the student entered into the enrollment contract because of a misrepresentation made in the advertising or promotional materials of Salon Boutique Academy or by an owner or representative of Salon Boutique Academy.

In the event a student does not begin the program, Salon Boutique Academy will not retain more than \$100 if tuition is collected before the course of training begins and the student fails to withdraw from the course of training before the cancellation period expires.

Following the expiration of the time period above, Salon Boutique Academy will refund any unused part of tuition, fees, and other charge paid by a student who fails to enter the program, withdraws from the course of training, or is dismissed before completing the course. The refund is based on the period of the student's enrollment, computed on the basis of course time expressed in scheduled hours, as specified by the Enrollment Contract. The effective date of the termination for refund purposes is the earliest of:

- (A) the last date of attendance, if the student is terminated by Salon Boutique Academy;
- (B) the date Salon Boutique Academy receives the student's written notice of withdrawal;
- (C) 10 school days after the last date of attendance, or
- (D) a student on an approved leave of absence notifies the school he/she will not be returning. In this case, the withdrawal date will be the scheduled return date or the date the school receives notification from the student, whichever is earlier.

Salon Boutique Academy will pay any refund owed no later than the 30<sup>th</sup> day of the official cancellation or withdrawal. A student who withdraws or is terminated after receiving kit supplies will be responsible for paying any balance on the supplies received.

The tuition refund calculation is as follows:

- (1) 0% of the total tuition for a withdraw/dismissal that occurs between 1-32 hours; and
- (2) 10% of the total tuition for a withdraw/dismissal that occurs after 32 hours but no later than the first 25% of the course; and
- (3) 50% of the total tuition for a withdraw/dismissal that occurs following 25% of the course but not later than 50% of the course.
- (4) 100% of the total tuition for a withdraw/dismissal occurring following the first 50% of the course.

If tuition has been paid in full, the following percentage will be refunded	Proportion of Hours Scheduled as of Withdrawal Date		
	Cosmetology	Esthetician	500 Student Instructor
100%	1-32	1-32	1-32

Texas has established the Private Beauty Culture School Tuition Protection Fund to cover school closures. If Salon Boutique Academy were to close, Texas Department of Licensing and Regulation would attempt, for students who were enrolled at the time of closure, to place the student in another private beauty culture school. If a student from a closed school is placed in a private beauty culture school, the expense incurred by the school in providing training directly related to educating the student, including the applicable tuition for the period for which the student paid tuition, shall be paid from the private beauty culture school tuition protection account. If a student from a closed school cannot be placed in another school, the student's tuition and fees shall be refunded as provided by Section 1602.458. If a student from a closed school does not accept a place that is available and reasonable in another school, the student's tuition and fees shall be refunded under the refund policy maintained by the closed school under Section 1602.459. A refund under this subsection shall be paid from the private beauty culture school tuition protection account. The amount of the refund may

not exceed \$35,000. If another school assumes responsibility for the closed school's students and there are no significant changes in the quality of the training, the student from the closed school is not entitled to a refund under Subsection (c).

### **Additional Costs**

Students can expect to spend approximately \$100 on supplemental materials for class. Students will also be required to pay examination (written and practical) and licensing fees to the state when they schedule their state examinations and apply for a license. Current pricing on the exams and licensing fees can be found on [www.tdlr.texas.gov](http://www.tdlr.texas.gov).

### **Support Services**

A student seeking academic support or assistance with class-related matters should schedule a meeting with his/her educator to coordinate tutoring. A student seeking support for external matters unrelated to class should schedule a meeting with his/her educator or the school director to receive referral information for support services and professional assistance available within the community. Free contact information and referrals for local assistance with health care, employment, education, legal, counseling, and transportation needs can also be received by calling 2-1-1.

Purses and personal belongings must be placed in a storage locker and may not be brought to class/clinic. It is the student's responsibility to replace, at his or her own expense, any item misplaced or stolen. Students who graduate, withdraw, or are terminated must remove all personal items from the school within 5 days. In the event of graduation, withdraw, or termination, all items left at the school or in a locker for more than 5 calendar days following the last day of attendance will be considered abandoned and disposed.
